Dear Ms. Jensen:

This is a request to extend the variance for the Alien Encounter laser light show. The variance number and accession numbers are as follows:

Variance Number 94V-0254
Accession Number 94A0633-01

I would like to request the extension for the maximum period allowed as there are no plans to terminate the laser light show.

As always, if you should have any questions, please don't hesitate to contact me at (407) 938-2447.

Sincerely,

Tony Zmorenski, CSP
